

Welcome to the R.I.O.T. Squad
(Responsible, Independent, Organized Teens)

The First Two Weeks of R.I.O.T.:

--is a time for us to get to know each other and for you to discover what is expected of a R.I.O.T. Squad member. Your attitude, cooperation, participation, attendance and your ability to follow the R.I.O.T. Squad rules will all be factors in determining your continued participation in the R.I.O.T. program.

--you will be making plans for your summer activities and community service projects, so start thinking about what you want to do this summer. To help pay for these activities, adventures and transportation ALL fundraisers are mandatory. They are an important part of the success of our program. Many of the field trips and activities are paid with part of your tuition payment while others are not. Fundraisers help lower the cost of these extras.

--Jr. Lifeguard Training will take place. It is MANDATORY!! We expect ALL squad members to participate in Jr. Lifeguard Training. You must go through the training to be allowed to participate with the lifeguards at the pool. We assist the lifeguards almost every day of the week. Make sure your Lifeguard uniform is ordered and paid for as soon as you receive this letter. (See attached paperwork)

Community leaders are scheduled to visit us throughout the summer to discuss many topics of interest. If you have any questions regarding the topics, please let us know prior to the visit. A permission slip will be sent home in advance giving you enough time to voice your concern.

We want your R.I.O.T. squad experience to be rewarding and exciting. Our hope for you is that you make new friends, gain new learning experiences, and have exciting adventures all summer long. See you on the first day of camp!

Sincerely,
Beth Carstens & Teresa Baker
